Subject: WaterFurnace GeoPro Master Dealer Designation

Dear Chip;

Thank you for applying to be designated as a WaterFurnace GeoPro Master. Only the most qualified, professional and successful geothermal contractors are eligible for consideration in this program.

After review of your application it is my pleasure to confirm that Gravenhurst Plumbing, Heating & Electric has earned the designation of WaterFurnace GeoPro Master. Congratulations and well done.

We will email you the GeoPro graphic for use in your marketing promotions, on employee clothing and on signage. Your framed GeoPro certificate will be sent to your office shortly.

A GeoPro press release will be generated and given to local news outlets. We will also be in contact with you for finalization of the graphics on your free GeoPro pull-up poster and GeoPro Truck decals. We will also customize marketing materials to show the GeoPro logo as you require them.

Again congratulations and thank you for your support of WaterFurnace and Eden Energy Equipment.

Best regards,
